

# FREEDOM ARM®

MONITOR ARMS

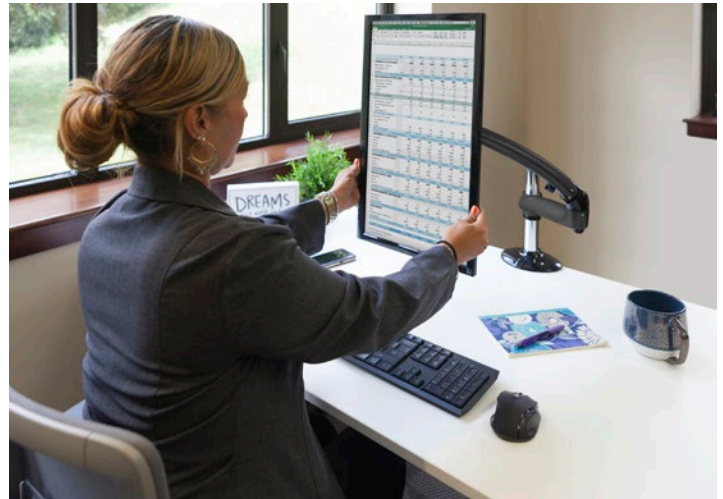

ERGO  
TECH™

# STYLISH AND FUNCTIONAL.

The Freedom Arm easily mounts to any standard desk, creating a clutter-free workspace. This stylish and functional articulating monitor arm is simple to assemble and allows the user to utilize their entire workspace.

Freedom Arm gives you the ability to fully customize your monitor placement while barely moving a muscle.

360-degree rotation, 190-degree panning, a tilt up of 90 degrees, and a tilt down of 45 degrees.

## FEATURES

- **Clutter-Free:** Integrated cable management system.
- **Dynamic:** Offers 14" of one-touch height adjustment.
- **Options:** Upgrade to a grommet mount.
- **TAA Compliant**
