

FREEDOM E-STAND-2

ELECTRIC SIT STAND DESK WORKSTATION

RISE UP WITH THE E-STAND

The Freedom E-Stand effortlessly transforms any surface into a personalized electric sit-stand desk, enabling you to achieve long lasting health benefits. With the push of a button, worksurface and monitors lift to the proper height for unsurpassed ergonomic comfort.

FDM-E-STAND-2

The Freedom E-Stand gives you the freedom to work the way you choose - sitting or standing.

FEATURES

- **Compliance:** TAA Compliant
- **Monitor Attachment:** Detachable VESA plate makes the installation much easier by attaching to your monitors independently and then sliding back onto the arm
- **Motion:** Wide range of monitor movement enables swivel, rotation and tilt to match different viewing angle needs
- **Height Adjustment:** Height adjustment on the vertical column promotes ergonomic positioning and sit-stand work routine to counteract the harmful effects of increasingly sedentary work style
- **Ease of Use:** Electric push button height adjustment
- **Cable Management:** keeps cables organized for a clean, clutter-free look with built in cable clips
- **VESA Compatibility:** 75mm & 100mm
