 **ERGOTECH**
INNOVATIVE ERGONOMIC SOLUTIONS

GOVERNMENT *Solutions*

Innovative and Ergotech produce a wide variety of high quality, TAA compliant products that far exceed the criteria of quality, affordability and functionality.

From multi-monitor mounts that are ideal for control towers and surveillance rooms, to sit-stand workstations and articulating arms that can be mounted on a variety of surfaces including desks, carts, walls, military vehicles and ships. Innovative and Ergotech products meet the needs of any government environment ranging from VA hospitals, to military and naval bases, government offices, educational, medical and non-profits.

MULTI MONITOR MOUNTS

A multi monitor set up is ideal for control towers and command and control where you need to view multiple monitor data points concurrently.

BILD®

ARTICULATING ARMS

Ideal mount for monitors and tablets to increase flexibility and save space in all areas for a comfortable and healthy work environment.

7Flex®

7Flex® Dual

WALL MOUNTS

Hang a monitor or TV on the wall in common areas for current news footage or for VA hospital guest entertainment.

OmniLink

SIT STAND WORKSTATIONS

Increase productivity in government offices and non-profits with sit stand workstations.

Freedom E-Desk

Freedom E-Stand

VERTICAL WALL TRACKS

Vertical wall track systems can be folded up and moved out of the way making them ideal heavy traffic environments such as VA hospitals.
