

FREEDOM ARM[®] HD

Stylish & Functional Articulating Monitor Arm

The Freedom Arm[®] HD easily mounts to any standard desk, creating a clutter-free workspace.

This stylish and functional articulating monitor arm is simple to assemble and allows the user to utilize their entire workspace with 360-degree rotation, 190-degree panning, a tilt up of 90 degrees, and a tilt down of 45 degrees. Including an integrated cable management system and three mounting positions, the Freedom Arm[®] HD gives you the ability to fully customize your monitor placement while barely moving a muscle.
