

ERGOTECH ONE TOUCH

Electric Powered Sit-Stand System

The Ergotech One Touch system is an electric powered sit-stand workstation that retrofits to your existing desk, making it compatible with any type of setup! Available in a range of models with various options, from free-standing to desk mounted.

PRODUCT FEATURES:

- Electric powered—easily switch positions with just the push of a button.
- Provides the highest range of vertical travel on the market today at 20".
- Compatible with both PC & Apple iMac® monitors, the One Touch comes in a variety of bundles to match your worksurface needs.
- Warranty: 10 years unit/parts, 2 years motor.
